Chris Bishopp
North Carolina House District 82

BIOGRAPHY/ACCOMPLISHMENTS:

	**Bio:** Chris Bishopp is a longtime public servant with decades of experience in aviation safety, operations, and government. A former Naval Flight Officer, Chris served in the U.S. Navy before spending more than 30 years with the FAA as an Air Traffic Controller, Supervisor, and Quality Control specialist. He has dedicated his career to protecting the public, supporting workers, and serving his community. **Why he's running:** Chris is running to bring his experience, steady leadership, and commitment to public service to his community. He believes the government should be accountable, responsible, and focused on making communities safer and stronger.

Education:	• Supports strong public schools, better resources for teachers and classrooms, and career programs that prepare students for college, trades, or military service. He also wants to address underfunding and the impact of expanding vouchers on public schools.
Affordability:	• Wants to make North Carolina more affordable by addressing rising housing and utility costs, supporting responsible tax policies, and investing in infrastructure so families can stay in their communities.
Healthcare:	• Supports affordable, accessible health care, strong local hospitals and clinics, expanded mental health services, and making health care decisions based on data and accountability.
